

SMART Pro™

The Smart Choice

NEW EVERYDAY LOW PRICES!!

Advanced Diagnostics just **dropped the prices** on Smart Pro, making it much easier to own the best automotive key programmer on the market at prices never seen before!

Simply purchase an Unlimited Token Plan (annually or monthly) and get the **Smart Pro for free!** After 3 years of paid UTP you can manage your Smart Pro with your choice of UTP, tokens, or software.

Don't want to use the Unlimited Token Plan (UTP)? No problem! You can get the Smart Pro for a greatly reduced up front fee and manage Smart Pro any way you would like.

Choose one of the options below that most fits your needs:

1

AD2000 Smart Pro Annual (TT0423XXXX)

MSRP \$3,200.00

With a commitment to 3 years of Annual UTP, get the Smart Pro for free. Simply buy the Annual UTP for Year 1 and get the **Smart Pro free of charge**. For Years 2 & 3, simply renew the Annual UTP on or before its expiration date. After 3 years of paid Annual UTP the Smart Pro can be managed with UTP, tokens, or software.

2

AD2000 Smart Pro Monthly (TT0422XXXX)

MSRP \$1,920.00

Don't want to pay for Annual UTP? You can also get the Smart Pro with a commitment to 36 months of Monthly UTP and get the **Smart Pro free of charge**. Simply pay for 6 months UTP up front and get the Smart Pro free of charge. After 6 months simply start paying the monthly UTP fee. After 36 months of paid Monthly UTP the Smart Pro can be managed with UTP, tokens, or software.

3

AD2000 Smart Pro Open (TT0424XXXX)

***Includes 1 month Free UTP**

MSRP \$3,200.00

Don't want to use UTP with the Smart Pro device? This option gives you the freedom to buy the Smart Pro device only and then manage the tool any way you want. UTP, Tokens, and software are available after 1 month free UTP expires.
