No Problem!

Advanced Diagnostics, the worldwide leader in key programming software, recently dropped the prices on Smart Pro. **After listening to our customers**, AD USA is proud to introduce another option in owning a Smart Pro without the commitment.

AD2000 Smart Pro Annual (Option 1)

MSRP \$3,200.00

With a commitment to 3 years of Annual UTP, get the Smart Pro for free. Simply buy the Annual UTP for Year 1 and get the Smart Pro free of charge. For Years 2 & 3, simply renew the Annual UTP on or before its expiration date. After 3 years of paid Annual UTP the Smart Pro can be managed with UTP, tokens, or software.

AD2000 Smart Pro Monthly (Option 2)

***Includes 6 Months UTP**

MSRP \$1,920.00

Don't want to pay for Annual UTP? You can also get the Smart Pro with a commitment to 36 months of Monthly UTP and get the Smart Pro for free. Simply pay for 6 months UTP up front and get the Smart Pro free of charge. After 6 months simply start paying the monthly UTP fee. After 36 months of paid Monthly UTP the Smart Pro can be managed with UTP, tokens, or software.

AD2000 Smart Pro Custom (Option 3)

***Includes 1 month Free UTP**

MSRP \$3,200.00

Don't want to use UTP with the Smart Pro device? This option gives you the freedom to buy the Smart Pro device only and then manage the tool any way you want. UTP, Tokens, and software are available after 1 month free UTP expires.

NEW! AD2000 Smart Pro w/ 1 Year UTP (Option 4)

***Includes 1 year UTP**

MSRP \$3,800.00

Don't want to commit for 3 years of UTP? No problem. **This option provides the Smart Pro with 1 year UTP.** After the expiration of 1 year UTP, manage the Smart Pro any way you want. *No existing UTP, tokens, or software can be transferred to these options.

NEW! Smart Pro Commitment Buyout / Upgrade

MSRP \$600.00

Already bought a Smart Pro with a 3yr / 36 month commitment? **Void years 2 and 3 with the Commitment Buyout option.**

Already bought a Smart Pro Custom and want to upgrade to 1 year UTP? **Get 11 additional months UTP with this option.** For Smart Pro custom units only.
